On Saturday, March 7, I will be taking part in Birchway Niagara's "Brunch, Bid & Bowl" event in celebration of International Women's Day and in support of local domestic violence services.

Will you be an ally against abuse and help me to raise [your fundraising goal]?

Every \$150 I raise will provide a night of safety to a woman or child, helping them to take the first steps toward a future without violence.

Please make your donation today at: [link to your fundraising page]

If you would like to learn more about this year's event, visit www.brunchbidandbowl.org.
